Our local producers, our pride

At Vol 128 restaurant, we believe in **short supply chains**, transparency and **quality**. That's why we work hand in hand with passionate **local producers** who are committed to farming that respects nature and flavour.

Every ingredient that arrives on your plate has a story. A story of terroir, expertise and human encounters.

Seasonal vegetables, free-range meat, artisanal honey, organic wines... we select the best our **region** has to offer to provide you with authentic, vibrant and generous cuisine.
